EXPRESS Repair Service

Reserve Inventory Ships Same Day

(for RMA orders placed by 3:00 PM EST)

What is Express Repair?

MHL Computer Product's Express Repair Service provides a refurbished replacement printer/scanner shipped same day for RMA orders placed by 3:00 PM. By utilizing the Express Service, your downtime is minimized and you're back up and running FAST.

Risk Free Repair Price

With the Express Repair Service, MHL Computer Products assumes the risk if the repair work is more extensive than expected. You will be shipped a replacement printer/scanner of equal or comparable capabilities, no matter what actual costs are incurred.

Our Repair Work is Guaranteed

At MHL Computer Products, we stand behind our work. Our Express repair work is guaranteed for 30 days. If you have any issues with the printer repair within 30 days, we will repair it for free, no questions asked.
