ScanShell® 800DX

A6 OCR Duplex Scanner

ScanShell® 800DX is a high-speed A6 duplex card scanner offering simultaneous high image quality capture of both sides of the scanned document.
ScanShell® 800DX is equipped with high speed USB 2.0 standard interface and does not require an external power supply.
Its light-weight, small footprint and simple connection make the ScanShell® 800DX a unique and convenient solution for simultaneous double side scanning for both desktop and mobile use.

Technical Specifications

Dimension of ScanShell® 800Dx

l x W x h: 8" x 2.75" x 1.8"
Weight: 16.9oz (480g)

Minimum PC Specifications

Single Core 1.7 GHz, 2 GB RAM, 150 MB hard drive space for the software
Supported operating Systems: Windows 7, Windows 8, Windows 10

Features

- USB 2.0 interface, no external power required
- Light-weight and fully portable
- Small footprint
- Twain Compatible

Scanner Specification

Interface: USB 2.0 (Universal Serial Bus) high speed

Image sensor: Dual, linear color cMoS cis

Optical resolution: 600 dpi x 1200 dpi
